City: EAGLE RIVER

County:

St: AK

Distance from Anchorage: 16.6 mi. at 76 deg.

Lat: 61 17 30 N Lon: 149 24 00 W

Description: Eagle River Training Camp Site, containing 10 acres, was acquired for the Department of the Air Force from the Department of the Interior, Bureau of Land Management (BLM), by Special Land use permit dated 18 September 1953, as amended. Area is approximately 6 miles east of the Glenn Highway and one mile north of Eagle River (tributary). The site was used by the U.S. Air Force from 1953 to 1955 for arctic indoctrination training.

Cur Owners: 1. PRIVATE

2.

3.

Owner Info: (b) (6) obtained ownership in 1966.

Notes: No site visit conducted. Property owners conveyed that during numerous hikes through the area they have not encountered debris of any kind.

History: Training Camp was transferred from Dept. of the Interior (DOI) to the Air Force by Special Land Permit dated 18SEP53. Site was used for sub-arctic trail and camp conditioning on terrain not available within Elmendorf AFB. Improvements were not contemplated. Site was returned to DOI 31AUG55. Current owner is (b) (6) — Carl —
